HOW STEBBINS GOT SLEWED A SLEIGHING.

BY THE "FAT CONTRIBUTOR."

Great flakes of snow the air did fill, clothing in white both dale and hill; livery men rubbed their hands in glee, the fall of the "beautiful snow" to see. They know that their customers never mutter at any price for a horse and cutter, (so they make their bread and butter), and snow brings gains beyond their dreams, for the use of four and six horse teams. Young Stebbins saw the snow a falling, and that very day he went out a calling on his Dulcina, Susie Brown—there isn't a prettier girl in town—and asked at once without delaying, if she would go out with him a sleighing. Susie smiled and looked quite happy, turning inquiringly to her pappy, who had no objection to letting the pride of his house go out on a little sleigh ride. He remembered no doubt, the days of his youth, when Susie's mother was younger in truth; and a pleasure it was by night or day, to glide o'er the road in a one horse sleigh.

The shades of night were falling fast, when along the Millcreek road there passed a horse and sleigh with two young folks covered with robes and shawls and cloaks. A maiden with blooming cheeks and fair, the snow flakes shining in her hair, like pearls at night out on a "tare." Tune up your harp, my gentle muse—the maiden fair was Stebbins' Susie, and the festive youth who held the "ribbons," was no one else but Susie's Stebbins!

Away they glided, this joyous load, passing all others on the road; the steed himself enjoyed the fun, ometimes trotting and then on the run; to beat his pace no horse was able, although he came from the livery stable. Almost as quick as I tell it to you the Mill Creek House appeared in view, and then they stopped their foaming steed, not as Stebbins said "to feed," but on the sly, the wicked thing, to get a hot gin sling. Poor Susie in the parlor thinking of the happy hours the snow was linking, little dreamed that Steb. was drinking.

One sling in, he wanted another, "just for company," he said "for its brother," and he slung in slings of gin and sich till he felt himself immensely rich and wanted to bet a pile of "tin" no one could beat him driving in. Bring forth the horse!" The horse was brought, the pair got in, and quick as thought away, away and on they dash, Stebbins laying on the lash, torrents less rapid and less rash, and Susie crying she'd left her sash! But Stebbins, having stuffed his skin with red-hot slings of Holland gin, wore he didn't care a pin: no one should beat him into town, if she'd left everything 'cept her gown.

Flying swiftly by the Millcreek stream a snowbank then a sudden scream—the sleigh tipped over—out they shot, over the fence into a vacant lot. The horse kept on at a smashing pace, and never slackened in the race till he met the owner face to face.

There is a moral to our tale that should be heeded by every male. Don't drink slings till you are slung into a lot from out your "pung;" and when you are out on a whirl, desiring simply to sleigh your girl, be careful sir—don't think us rude—that in *sleighing* her, you don't get *slew'd.*—*Cincinnatti Weekly Mimes.*

SOMETHIOG ABOUT LOVE.

Henry Ward Beecher thus discourses on this subject:

On earth there is nothing more beautiful than the first breaking o the ground of a young, strong, new, pure love. No flower has blossomed, however fair; no fragrance that any flower ever emitted, however sweet: no bravery of the sky; no witchery of art; nothing that man ever invented or imagined is to be compared with the hours of dawning love in the young soul. And it is a shame that men should be taught to be ashamed of that which is a prophesy of their highest being and glory. Alas, that it should ever perish in the using. Alas, that man does not know that to endure, it must rise higher since it is only by growing into its full and later disclosures that it may be saved from quick mortality. It must grow or die; for that which suffices for a beginning is not enough for all and for all time. Love, therefore, should be a schoolmaster, carrying its pupils up from room to room through the whole university of the mind. As the lower begins first it ends first. The higher beginning latest, lasts the longest.

And hence true affection is strongest in later periods of being. Perhaps it is less attractive in novelty, perhaps still less stimulating than young love; but the popular impression that we love strongest when we love earliest, is not founded in truth or analogy. No one knows the whole lore of love with the reason, the imagination and all the moral sentiments. It is the most interior school the soul can know. Men may know how to deal with numbers and solve problems; but that is rarest, the innermost, the deepest knowledge that comes with loving by all the parts and faculties of the soul.

They only can love greatly or fruitfully who are good, since the line, the direction is from the flesh toward the spirit. It is from the low toward the high. It is from the substantial toward the invisible.

How pitiful it is to build too low! I cannot bear to see the young gathering together and building their nests as the birds do. On my lawn I see the larks and other birds building in the grass, and know that before the young are fledged the remorseless mower, with revolving strokes, will sweep the ground, and the nests will be utterly destroyed, and the young cut down and wasted.—And do I not see men building their nests just so? Do I not see love beginning to nestle in the flowers? But the flowers themselves are rooted in the dirt down low, close to the foot that shall easily crush them.

I mourn when I see a mother loving her children for time and for time only. I mourn when I see two natures that should be eternally affianced loving each other within the horizon of time. There must be something higher than the circling of this world. No love is fit to be called by the name of love that has not in it something of the other world and much of immortality. It must rise above an instinct or passion. It must have in it faith and hope. It must be a love that is served by reason, by imagination, by all that there is in the soul.

AT a negro ball, in lieu of "Not transferable" on the tickets; "No gentleman admitted unless he comes hisself" was substituted.

SEMI-WEEKLY ENQUIRER.

SATURDAY, JUNE 8, 1867

THE PRIMARY.—We have already spoken of the prime importance of conciliation, but as the hour of conflict draws near, we urge once more mutual forbearance and a perfectly friendly contest. Fight valiantly for your man, but if you are beaten submit with a good grace. You who are chosen delegates remember that principles, cause and party are first, men afterwards. A strong ticket, with the right men, is a more imperative necessity than the success of your favorite. You may be entirely sure that the general good demands the success of your candidate—the majority may think otherwise, if so, be content with the result and acquiesce in their decision, and work with no less zeal for the choice of the Convention. Let no asperity and bitterness come into that assembly. The man who loses his temper throws away his power, and will surely fail, as he deserves. Harmony and peace are the sure harbingers of victory. Placer county can present a ticket that will win easily, and a bad one will be very sure of defeat. We must be bold enough to hurt the feelings and disappoint the hopes of friends, even, if the success of the ticket requires such a sacrifice. Self-denial for the general good is among the first laws regulating a good and true character, every delegate should be fully imbued with it; then there will be neither great dissatisfaction nor danger. Nor do we speak thus because we fear disaster, but because we would make the election of every candidate doubly sure without the necessity of too much hard work.

DUTCH FLAT AND YOU BET WAGON ROAD.—This road has been completed to Little York and the trustees have accepted it from Mr. Polley, the contractor. It has a pretty uniform grade, a smooth road-bed and answers well the purposes for which it is constructed. The continuation from Little York to You Bet is under contract and will be finished in a few days, when a continuous line will be in running order from Dutch Flat to Nevada city. We understand that toll will hereafter be collected on the road from Dutch Flat to Little York Who is to be the fortunate pioneer in establishing a line of stages upon it?

EDITOR MARRIED.—M. S. Deal, editor of the Nevada *Transcript*, was recently married to Miss Adelaide V. Davenport, of Nevada. We hope the lady has not got a "rough deal."—*Call.*

Both parties are now content, but may call for another *deal* by and by.—*Appeal.*

There are good reasons for believing that there will be a *miss-deal* before the game is played out.—*Woodland News.*

In which case hands would be thrown up and there would be a *new deal.*—*Chico Courant.*

Never mind about a *miss-deal* or two—provided the "*shuffling* is on the square."—*San Mateo Gazette.*

Deals and shuffles are well enough to be observed, but the most important item in this game is the character of the "*turn up.*"

SALES OF MINING INTERESTS.—Messrs. James Taeff and Collector Miller have purchased interests in the Redstone, Champion and Blue Bell. The two latter are located in Bear Valley, the former near Lost Camp, ten miles east of here, and about one mile south of the Railroad. It has a mill on it, the number of stamps is to be increased and the work of development pushed forward.

THE BEST OF THE SEASON.—A distinguished legal gentleman of San Francisco, walking home with a friend not long since, met a procession of the friendly sons of St. Patrick with a flag of Erin: gazing at it a moment, he said Washoe: should adopt that banner, nothing could fit her better, Lyre (liar) and Sham-rock.

WHO DID IT.—"Seven cities claimed the Homer dead through which the living Homer begged his bread." Nasby says he bought Russian America: "Seward did it—him and me." The *S. F. Times* claims to have done it. Now the *Bulletin* would have us believe Cornelius Cole was the man.—Come forward gentlemen, who is the next man?

OUR NEIGHBORS.—The Union Convention of Nevada county meets to-day. A full delegation from Meadow Lake passed down on the railroad on Thursday morning last.—From the character of the gentlemen who are aspirants for the legislature in Nevada county, the Convention cannot fail in securing a delegation to the capitol that will be an honor to their constituents and an ornament to the State.

ARREST.—A stranger came to this place yesterday, and assaulted a lady, who has been here several days, in a most brutal manner. It seems he claims to be her husband, but she will not live with him. He was arrested and taken before Judge Aubury.

PREACHING AT THE UNION CHURCH.—The Rev. Mr. Veeder will preach to-morrow morning at 11 o'clock, and Rev. Mr. Fackler in the evening. Both are Presbyterians, and reside in San Francisco.

EMPHATICALLY NO.—We have it from the very highest authority that General Rosecrans will not accept a nomination from the Democratic party for Governor.

THE SAN FRANCISCO PRIMARIES.—The election held in the Bay city on Wednesday last was warmly contested. The Peoples' party did its best but it lacked votes; and the friends of George C. Gorham elected 25 out of 38 of the delegates to the County Convention. This will send 63 solid ayes to the State Convention, and with what are elected, and will be, hereafter, from various counties, Gorham will undoubtedly receive the nomination for Governor at the coming State Convention. The *Bulletin* and Morning *Call* are not the papers to make anybody believe the stale slander that Democrats and Copperheads made any difference in the result, or that more of them voted on one side than on the other. If those papers can influence anybody, politically, it would be such as sympathize with them in their love for Andrew Johnson and hatred to Congress. Defeat always breeds sore-heads and growlers. Some men are so constituted that they must always be in a minority of their party or in a minority party. People who storm, and abuse all who differ from them in opinion, and call hard names and threaten to bolt and break things if they are beaten, can seldom win. It may be true that the working men went almost in a body for Mr. Gorham, and that they worked hard at the polls for him. It may be true, too, that some claiming super-respectability went against him. But nobody in this country will ever attempt, with any hope of success, to disfranchise poor men. The only question is, did the State Central Committee make too broad a test for the best interests of the cause and the party. For that test was not exceeded in any case in the primaries in San Francisco. The Peoples' party should be the last to complain of party fealty to the Union party, for it was organized on the basis that precluded such a test. But they are to be put to the proof. The Union County Committee are canvassing the votes, and if any are shown to be illegal they will be thrown out, and if any were illegally excluded they will be counted in, and all will be shown to be according to the tests adopted. There can be no room left for doubt that a large majority of the Union men voting meant to make George C. Gorham the next Governor of California.

SHOT.—News, with confirmation strong, has been received, that Maximilian with other officers serving under him have been shot by order of Juarez, President of the Republic. Less than this, in case of the capture or surrender of the invaders could not be expected. When the leaders of an invading army, without justifiable cause, enters the territory of a free and independent nation, raises a foreign flag, sets up a foreign government, and undertakes to establish it by force, he forfeits all claim to the protection of other nations. He violates and sets at defiance the law of nations which regards all as equally free and independent and entitled to the mutual respect and good will of each other. By the "Law of Nations" he becomes an "Out-Law" at war with the families of mankind; whose example, if followed by nations generally would lead to universal war if not to the destruction of the human race. When, therefore, Maximilian, commander of the invading forces, ordered the citizens to be shot for no other reason than that they nobly and patriotically fought for their freedom and their country he taught bloody instructions which have returned, not to plague, but to eternally quiet the instructors. The plea or pretext that anarchy had an almost perpetual reign in Mexico, that the object of the invasion was to establish order and civilization, cannot, and will not be accepted by the great masters of history, either in extenuation or as constituting a justifiable cause for the invasion. Mexico cannot be regenerated but degenerated by foreign bayonets. Slowly, silently, by the infusion of Anglo-American art, industry and ideas within her borders, through an increased and increasing population from the United States, will she acquire order and stability. Were it possible (which it is not) for Mexico to be left wholly to herself, she would continue permanently volcanic—politically. Her contiguity, however, to the United States, renders such an event impossible. The inferior mixed race or races of Mexico, as all inferior races have done, will gradually disappear before the advancing footsteps of a higher and more beneficent civilization.

CERTAIN OF IT.—The *Dramatic Cronicle* says that John Wilcox, who is a candidate for Congress says that as he is a good blacksmith and horse-shoer, and he has a *shoer* thing on the nomination; but how a horse-shoer can have the ass-shoer-ance to claim so much we cannot conceive.

CASUS BELLI.—The *Flag* says that there is a business motive for the *Golden Era's* assaults upon "the orthodox God." It thinks the Almighty became obnoxious to the *Era* "because of having suffered the creation of the *Sunday Mercury.*"

ALASKA.—This seems to be the favorite name for our new territory. Sumner, Halleck and others favor it because most of it is so called by the inhabitants.

POLITICAL PEURIENT PRUDES.

The artful dodgers who control and work the wires of the people's party junta are endeavoring trump up some slender pretext for a general bolt from the Union organization, to be fomented and engineered by the tricky politicians of the *Bulletin* clique. Everybody knows that these men have been going about with a chip on their shoulder for the past three weeks, consumed with anger, that no one would knock it off. They are now indescribably chagrined because everything has been done fairly and "on the square." Everybody knows that if the scales of justice had inclined to either side, even so much as a hair's breadth in the Union County Committee, these tricksters and conspirators would had raised a fearful howl about the corruption and injustice of "the politicians," just as though they were not themselves the most astute of politicians and the most ingenious of schemers.

But in vain; the doings of the County Committee will challenge the most piercing scrutiny. We published yesterday morning a brief and succinct *resume* of their work, and we have yet to hear of a single criticism upon it. Yet these demagogues who own and run that effete institution, the People's Party, have the pertinacious hardihood to bark and snarl, like a pack of mongrel curs, at the Committee whose work has all been done with open doors and under the closest scrutiny of the people.

The people will not be deceived by these noisy pretenders—these painted bawds of politics—who affect a virtue which they never had. It is so notorious that the *Bulletin* Ring manages and runs the so-called People's party, that no man of common intelligence can be deceived into a belief that there is a spark of honor or honesty about the whole concern; and the unfortunate dupes who have handed in their allegiance to the Secret Conclave have not a shadow of a chance with it, for the simple reason that the artful dodgers on the inside of the Ring made their programme and arranged their slate long before they raised the initial howl for the resuscitation of the old party. Even usually foxy neighbor, who is the special mouth-piece of the Ring, let out a part of the programme when it hypocritically says: "If any member has compromised his independence, he will of course have the manliness to make way for a successor who is in sympathy with the spirit of the people's petition." That is to say, any member who is not against the men whom we are against, will of course have no fellowship in the party organization, and may as well peaceably get out. Can anything be more transparent and obivious? And can anything be more undemocratic or un-American than this self-perpetuating, secret association, which arrogates to itself the liberal virtues and graces of which it denies to our own popular organizations? The day is past when such monstrous villianies can be perpetrated upon the prople by any cabal of ambitious demagogues.—*S. F. Times, May 28th.*

Perry Davis' Vegetable Pain Killer,

after a thorough trial, by innumerable living witnesses, has proved itself THE MEDICINE OF THE AGE. Although there has been many medicinal preparations brought before the public since the first introduction of Perry Davis' Vegetable Pain Killer, and large amounts expended in their introduction, the Pain Killer has continued to steadily advance in the estimation of the world as the best Family Medicine ever introduced. It is an internal and external remedy. One positive proof of its vacancy is, that the sales have constantly increased and wholly upon its own merits. The effect of the Pain Killer upon the patient, when taken internally in cases of Cold, Cough, Bowel Complaints, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy, in cases of Burns, Bruises, Sores, Sprains, Cuts, Sting of Insects, and other causes of suffering, has secured for it such a host of testimony, as an almost infallible remedy, that it will be handed down to posterity as one of the greatest medical discoveries of the nineteenth century.

As an internal remedy, has no equal. In cases of cholera, summer complaint, dyspepsia, dysentery, Asthma, it cures in one night, by taking it internally, and bathing with it freely. S. T.—1860.—X.

"JES' SO!"—"EXACTLY!"—Solon Shingle said; they were there "every time." If he felt "owley" in the morning, he took Plantation Bitters; if he felt weary at night he took Plantation Bitters; if he lacked appetite, weak, languid, or mentally oppressed, he took Plantation Bitters and they never failed to set him on his pins square and firm.

A few bottles of PLANTATION BITTERS

Will cure Nervous Headache,

" Cold Extremities and Feverish Lips,

" Sour Stomach and Fetid Breath,

" Flatulency and Indigestion,

" Nervous Affections,

" Excessive Fatigue and Short Breath,

" Pain over the Eyes,

" Mental Despondency,

" Prostration; Great Weakness,

" Sallow Complexion, Weak Bowels, &c., which are evidences of

Liver Complaint and Dyspepsia.

After a long research, we are able to present the most pleasant, the most remarkable cure for those horrid nightmare diseases the world has ever produced. Within one year over six hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has come to our knowledge!

It is a most effectual tonic and agreeable stimulant, suited to all conditions of life.

The report that it relies upon mineral substances for its active properties are wholly false.

The original quality and high standing of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a poor article cannot be sold as low as a good one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

"In lifting the kettle from the fire, it tipped and scalded me terribly. * * The Mustang Liniment extracted the pain and caused the sore to heal rapidly, and left very little scar.

CHAS. FOSTER, 420 Broad str., Phil.

Mr. S. Litch, of Hide Park, Vt., writes: "My horse was considered worthless, (spavin) but since the use of the Mustang Liniment I have sold him for $150. Your Liniment is doing wonders up here."

ESSENCE OF JAMAICA GINGER.

THIS valuable preparation, consisting in a highly concentrated form all the properties of the Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic it will be found invaluable to persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by wine or brandy, it is entirely free from the reactionary effects that follow the use of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period.

It gives immediate relief to Nausea, caused by the riding in a railroad car, or by sea-sickness, or other causes. It is also valuable as an external application for Gout, Rheumatism, Neuralgia, etc.

PRIVATE MEDICAL INSTITUTE,

NO CURE, NO PAY.

THIS CELEBRATED INSTITUTE has enjoyed on this coast an uninterrupted success of fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospital is to London, and the no less renowned establishment of Ricord is to Paris, this Institute has become to the Pacific coast. The thousands annually received and cured place it in point of number of patients among the very first of the world and the success of its treatment ranks it second to none.

PRIVATE DISEASES IN MALES and IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength from the frame; they give to the world puny and diseased offspring, and poison, through successive generations the race of man. The marks can be seen in Scrofula, Consumption, Crippples, the Idiotic, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than those diseases arising from the contamination of Venerial Poison. The mildest forms, by retreating to the blood, hold over the afflicted one, the destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most fatal medical enemy to man, combining with the Venereal, doubles its dangers. Those who have been treated with that pernicious mineral poison are not cured; the disease has only assumed a new form.

Do not be satisfied with partial cures

that leave the poison to crawl through the system, eating its way into the tissues and organs beneath the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. WHEN PERFECT CURES can be obtained by consulting a physician whom long practice and thorough investigation into the causes of DISEASES of the URINARY ORGANS enables to determine at once the nature of the disease.

In all cases entrusted to the Doctor's care, PERFECT, SPEEDY and PERMANENT,

Cures are Always Guaranteed.

In syphilis and its adjuncts: Gonnorrhœa and its accompanying diseases; and all diseases of the Bladder, Kidneys, and prostrate; Seminal Weakness Diseases of the Heart and Lungs; Dyspepsia; Indigestion, Impotency; Incipient consumption, and all diseases of the urinary organs, in either sex, cure always warranted. NO PAY REQUIRED, at the

Seminal Weakness or Spermatorrhœa

The young man who experiences that growing weakness in his muscular and mental organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion unaccountable failing of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, troubled and lascivious dreams, accompanied by growing deafness, loss of muscular power, and numerous other symptons of disorganization, the positive traces of that most terrible and destructive of all diseases Seminal Weakness—wasting away his powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence towards a premature and loathsome grave. To him who finds his life dribbling out in the discharge of the vital principle of existence in nocturnal and diurnal emissions, the mere cessation of its appearance brings no assurance of relief.

Marriage, that holy office, the safeguard and hope of manhood, brings to such an one no hope of cure, but adds to his misery in the knowledge that the one who looks to him for so much of her happiness, is a victim to his evil, and an innocent companion of his punishment. He adds to his misery and disorder until hope leaves him. There is no rescue except in proper and skillful treatment. Consult then, at once, a physician whom long practice and careful research has made thoroughly conversant with every phase of the disease. Those who have become the victims of solitary vices, that dreadful, fascinating and destructive habit, which fills thousands of sick-rooms with paralytics and consumptives, and hundreds of untimely graves with its misguided victims, should consult, without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would especially address himself, giving to each and all assurance of a PERFECT and PERMANENT CURE, without hindrance to business, change of diet, or fear of exposure.

Do not forget the address. See below.

Important to Females.

When a female is in trouble or afflicted with disease and requires medical or surgical assistance, the enquiry should be, Where is there a physician who is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor understanding how imperatively necessary these requirements are, feels called upon to interpose, and beg the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore families can rely upon him as upon a father. All in affliction can find in him one who will feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation by letter or otherwise, FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescription of Dr. Young, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimonials of their efficacy declare them to be pre-eminently superior in their action. No lady should be without these Renovating Agents. None genuine unless procured at this office.

PRIVATE MEDICAL AID.

QUICK CURES AND MODERATE CHARGES.

DR. W. K. DOHERTY'S
Private Medical and Surgical Institute

Sacramento Street, below Montgomery, opposite the Pacific Mail Steamship Company's Office. Private entrance on Leidesdorff street, San Francisco.

Established expressly to afford the afflicted sound and scientific medical aid in the treatment and cure of all Private and Chronic Diseases, cases of Secrecy and all Sexual Disorders.

TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse, Gonorrhœa, Gleet, Strictures, Nocturnal and Diurnal Emissions, Sexual Disability, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc., and he hopes that his long experience and successful practice will continue to ensure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references from men of known respectability and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment, and implicit secrecy.

DR. DOHERTY would call attention to the following certificates from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demand their publicity and they are given more to warn the unwary than to sound the praise of a Physician, of whom hundreds of like cases can be cited during a practice of more than fifteen years.

DR. DOHERTY—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you some written acknowledgement for your valuable services—particularly as your fee was small, for the work performed.

I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessarily the best, (some of whom have a large number of titles,) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured, the Stricture is all removed, and my general health is better than it has been for years.

In conclusion, I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty for my address and call and see me. (I keep store in this city.) My experience may save you many dollars.

I would also add that in the early stage of my disease I used a large amount of the preparations advertised as an infallible cure for Gonorrhœ, Gleet, etc., but never derived any benefit from them.

I am, Doctor, very truly yours,
L—— H——.

San Francisco, June 16, 1864.
Subscribed and sworn to before me, this 21st day of June, A. D. 1864.
[L. S.] A. S. GOULD, Notary Public.

Seminal Weakness—A Sworn-to Certificate of a most Remarkable Cure of Spermatorrhœa.

A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I have been afflicted with that fearful disease known as "Spermatorrhœa," or Seminal Weakness, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience. In that year however, I had Seminal Weakness to an alarming extent, which was soon followed by the most alarming symptons as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any of the duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable, determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care; in one week I found myself very much improved, and, now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself JAMES JOHNSTON.

Subscribed and sworn to before me, this 15th day of January, A. D. 1864.
[L. S.] A. G. RANDALL, Notary Public.

To Females.

When a female is in trouble, or afflicted with diseases as weakness of the back and limbs, pain in the head dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of digestive functions, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write once to the celebrated female doctor, W. K. Doherty, at his Medical Institute, and consult him about their troubles and disease. The Doctor is effecting more cures than any other physician in the State of California. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies whose delicate health or other circumstances prevent an increase in their families should write or call at Dr. W. K. Doherty's Medical Institute, and they will receive every possible relief and help. The Doctor's offices are so arranged that he can be consulted without fear of observation

To Correspondents.

Patients residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty on their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible.

If the case be fully and candidly described, personal communication will be superseded, as instructions for diet, regimen, and the general treatment of the case (including the remedies), will be forwarded without delay, and in such a manner as to convey no purport of the letter or parcel so transmitted. ☞ Consultation at the office FREE. HOPE FOR THE AFFLICTED.—In another part of this paper will be found the advertisement of the celebrated Institute established by Dr. J. C. YOUNG, in 1850. In this age of deceit and charlatanism, it is a boon to the suffering to point out to them where they are sure of obtaining the wished for relief and cure. Under the care of the skillful Doctor the sick and troubled can divest themselves of their burdens of pain; lay aside their cross, and secure health and happiness. If you are sick or in trouble, do not hesitate. Read the advertisement and follow the advice. Do not forget the number or the manner of directing your letters. MEDICAL ADVICE.—DR. WM. K. DOHERTY'S Medical and Surgical Institute is becoming a sine qua non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of such a cause. We are personally acquainted with gentlemen who had suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time, has given them entire relief. It is gratifying to announce this fact, because the Dr. is a gentleman who seeks, not by defamation of others to establish his reputation or ruin of another's fame. The Doctor conducts his own Institute in such a manner must be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertain to that confidence. Persons afflicted with either acute or chronic disease, would do well, to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he insist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—NEWS

SPECIAL MEDICAL NOTICE.—DR. CHAS. H. TOZER would most respectfully inform the sick and afflicted that his MEDICAL INSTITUTE is at the same place, corner of Kearny and Jackson streets, San Francisco, where he has been established for many years, for the cure of special complaints. Having relinquished my old modes of advertising, which has become so common with all the Quack Doctors of San Francisco, filling up the newspapers with false references, for the purpose of imposing upon strangers. I think it is only necessary to inform those in need of a Physician of long experience and successful practice that I can be consulted at all business hours, at my Medical Institute, corner of Kearny and Jackson streets, San Francisco.

Ladies suffering from the Whites, Piles, Weakness of the Back, Pain in the Side, Headache, Palpitation of the Heart, Derangement of their Monthly Sickness, and all other diseases that the Female System is subject to, will find prompt relief by applying to DR. TOZER.

My Female Monthly Pills were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office. Price $5 00 with full directions on each Box. Sent by mail or express.

MEDICAL.

FRENCH MEDICAL OFFICE.

DR. JULIEN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has pleasure to inform patients, and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first floor, upstairs entrance either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptons: Nocturnal Emissions, Pains in the Back and Head Weakness of Memory and Sight, Discharge from the Uretha on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, signing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptons are pimples in the face and acning in different parts of the body. Patients suffering from this disease should apply immediately to DR. PERRAULT, either in person or by letter as he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage Gonorrhea, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to her sex, can consult the doctor, with the assurance of relief.

Female Monthly Pills.

DR. PERRAULT is the only agent in California for DR. BIOT'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to DR. PERRAULT, corner of Sacramento and Montgomery streets. Rooms, 10 and 11, or Box 978, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

MEDICAL.

DR. CHAS. H. TOZER'S
PRIVATE MEDICAL INSTITUTE,

N. E. Corner of Kearny and Jackson Streets,
SAN FRANCISCO.

The Great Eradicator of Special complaints, formerly of Locke Hospital, London, Eight Years in Sacramento, and the last Four Years in San Francisco.

DR. TOZER'S

Experience is of forty years standing, and during that time he has met with unparalleled success in the treatment of all those diseases generally known as Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will not be out of place. The most formidable, the most destructive to mankind is Self-Abuse. The brain being the seat of the disease, the whole system suffers in consequence. I will here enumerate some of the symptoms, so that those afflicted may be able to form an opinion in regard to their complaints and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, Palpitation of the Heart, Trembling of the limbs, Headache and an aversion to general society, especially that of females. There are a great many more, but these are sufficient, and should you be suffering from any of them, call on DR. TOZER, and he will cure you in a short time, without any interruption to your business—or state your case by letter, and there will be no occasion for your calling at the office.

Stricture of the Urethra

Is another formidable enemy to health. Send for one of my circulars on that disease, and inform yourself of its terrible results. The worst cases cured in a few days.

Venereal Diseases,

In all their various forms, either Primary, Secondary or Hereditary, completely eradicated from the system. Your Constitution being restored to perfect health, there will be no danger of handing down to your children that terrible disease known as Scrofula

Syphilitic Disease,

As it presents itself on this coast, is of a more formidable character than that seen in the Atlantic States or Europe, arising from the fact of its being a compound of Spanish, Chinese and Sandwich Island disease. Those of you who have visited the two countries no doubt have seen the dreadful effects of it on the native and foreign population. It requires altogether different modes of treatment.

The Old Formulas

Of Ricord, Acton and Bostwick, are of little account, except to dry up the disease on the surface, leaving the poison in the blood, which, sooner or later, will show itself as a secondary disease in an aggravated form. These facts I have learned by experience, and think I can say without boasting, that I have seen more practice in these diseases than any other physician in San Francisco, dating as it does, from 1849. It becomes you, therefore, to think well before you employ a physician. Who is the proper one to consult? An old experienced one, or one who has recently settled among you?

My plan is purely vegetable, destroying the disease and purifying the blood so that there is no danger of secondary symptoms.

Rheumatism, Neuralgia,

And diseases arising from the use of Mercury, such as pains in the skin bones, swellings of the different joints of the body, running sores, etc., and impurities of the blood, cured in a short time by the use of my VEGETABLE MIXTURES, known only to myself.

Seminal Weakness.

Should you be afflicted with any of the following symptoms, such as weakness of the Back and Limbs, Pain in the Head, Dimness of Vision, Nervousness and General Debility, Loss of Memory, Confusion of Ideas, and Depression of Spirits, Evil Forbooding, Self-distrust, and an aversion to Society, consult DR. TOZER at once, and he will restore you to perfect health.

To Females.

When you are afflicted with Weakness of the Back and Limbs, Head, Loss of Muscular Power, Palpitation of the Heart, Irritability, Nervousness, Extreme Urinary Difficulties, Derangement of the Monthly Sickness, Sterility, and other diseases peculiar to females, consult DR. TOZER, and you will receive particular attention. Let no false delicacy prevent you, but apply at once, and save yourself from painful suffering and premature death.

My rooms are so arranged that there is no danger of exposure, and of meeting any one save the Doctor

My FEMALE MONTHLY PILLS were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office.

Price, FIVE DOLLARS—with full directions on each Box. Sent by Mail or Express.

To Correspondents.

Patients of either sex, residing in any part of the country, however distant, who may desire the opinion and advice of DR. TOZER, can, by submitting a written statement of their case to the Doctor, receive all the attention and medicines necessary to affect a cure without the necessity of a personal interview.

A Grateful Acknowledgement to Skillful Gentlemen.

SAN FRANCISCO, June 1, 1866.

Dr. Chas. H. Tozer:—Dear Sir: You will excuse me for not writing to you sooner. You will please remember me as the individual who called on you for assistance about a year ago. The roof of my mouth had completely rotted out, and my palate dropped and there remained, stopping up the passage so that I could hardly eat. You remember you cut it out at once, which relieved me immediately and I was enabled to swallow my food and in a short time began to improve. I took your medicine and followed your directions for several months. You finally succeeded in stopping the disease, saving my nose and upper lip, though you frequently cautioned me about losing it. I continued to improve until you finally recommended me to go into the country, and before going, by your advice, I had a cast taken of my mouth, in order that I could have a plate made for me to enable me to speak so as to be understood, and am now using it. My eternal thanks are due to you for the perseverance and skill that you displayed in my case; and I have to thank you for my restored health, and even my life, as I was very near bleeding to death several times from the nose. I am now in Sacramento City, enjoying good health, and I shall recommend all my friends to call on you should they be so unfortunate as to require assistance; and I would advise all persons to avoid certain scientific doctors in your city, for they will send them to a land from whence no traveler returns.

With my best wishes for the success of both of you, I remain, yours, etc., S. S. T.
